Preceptorship Medical Course  
Changing the clinical picture of MPS  
Thursday 11th & Friday 12th November 2021

Dear Colleague

We are pleased to invite you to the preceptorship medical course, Optimising Care in MPS Disease at The Nowgen Centre, Manchester Royal Infirmary, United Kingdom.

This one and a half day training course is designed for clinicians and nurses to learn and share the experience within an open and stimulating academic environment. The programme will provide a better understanding of MPS and challenges in patient management that requires a multi-disciplinary approach.

For topics please see full programme below.

To apply for a place please email Jacqui McAleer, JM Associates who is organising the event for us on [jmassociates1@me.com](mailto:jmassociates1@me.com).

There is no cost to attend the training course.

On behalf of our team, we are looking forward to meeting you on Thursday 11<sup>th</sup> & Friday 12<sup>th</sup> November 2021 in Manchester.

Kind Regards

Jean Mercer, Clinical Nurse Specialist  
The Willink Biochemical Genetics Unit  
Genomic Medicine  
St Marys Hospital  
Manchester

Simon Jones  
Consultant in Paediatric Inborn Errors  
of Metabolism  
Central Manchester University Hospitals NHS  
Trust/Willink Biochemical Genetics Unit

This meeting will be an independent meeting with support from Biomarin, Sanofi Genzyme & Takeda who have had no input into the content of the meeting.
